EDUCATION

College of Engineering Guindy, Anna University
M.Sc in Information Technology (5 years Integrated)
Department of Mathematics

August 2017 - Present
CGPA : 8.1

TECHNOLOGY AND TOOLS

Languages	C, C++, Python, JavaScript
OS	Ubuntu ,Windows
Development Skills	Vim,Git.
Skills	Google sheets, Pivot table,(Basic)Microsoft Azure.

EXTRACURRICULAR PARTICIPATIONS

National Level Science Talent Search Examination (NSTSE) -2 nd level	2016
All India Rank : 646	
State Rank : 16	

Cognizant's The Big Idea Contest
Runner

ONLINE CERTIFICATIONS

Data Scientist with Python	100 Hours
<i>Learned the basic statistical and machine learning techniques to analyze and interpret complex data</i>	
<i>Certified by DataCamp</i>	
Introduction to Human Computer Interaction	Percentage : 75
<i>Learned the importance of user experience and Product Development Cycle</i>	
<i>Certified by Indraprastha Institute of Information Technology</i>	
Introduction to Modern Application Development	Percentage : 70
<i>Learned a overall approach to application development</i>	
<i>Certified by Indian Institute of Technology Madras</i>	
Programming Data Structures and Algorithms Using Python	Percentage : 54
<i>Learned implementation of Data Structures and Algorithms in Python</i>	
<i>Certified by Indian Institute of Technology Madras</i>	

AREA OF INTERESTS

Programming Languages, Data science, Web development, Design, Open source contribution, Economics, Philosophy.
